The file granting pension to the petitioner Venkatalakshmammani, is put up with another file regarding the memorial of her Sister Putta Parvatha-mmani praying for the transfer of her pension to certain temples in Nandi Hills, which is pending with the Addl Secretary. May this be awaited till the return of the above file or the prayer be rejected stating that Govt decline to decide during petitioner's lifetime whether her pension should descend to her Son or not.

Submitted for orders.

This may be linked with the other file.

Under the orders passed by me Bowring the petitioner's pension should ultimately lapse to Govt. For this reason and in view of the fact that it is not usual to sanction,

Shri Rama Swamy returned this file with a note and a memo

An endt as above
~~This~~ may be given;
but in view of the later policy
of the Govt of India I think the
Pension may, after the petitioner's death,
be transferred in whole or in
part to her son.

I agree & see that the
Asst Kurkal Catechumen son
should look to maintenance from
his father. The pension in question
belonged to Ananta Nayaya and
can be reasonably continued only to
his lineal descendants in the male
line. It will be too much to continue
it in whole or in part into the families
into which the daughters are married.
Petr may be informed that there
is no good reason to alter the existing
order
